PLANNING CORRESPONDENCE

Ref: 24/00157/NAP – MANOR FARM, BROADWELL, MORETON-IN-MARSH, GL56 0YD. Possible breach of planning permissions. Confirmation has been received that the Enforcement Team will investigate this.

Call in' process - Changes to the Scheme of Delegation 24/05/24 Email from Cllr Cunningham CDC proposed a change to this planning process. From the 1st of April this year, the Ward member will now have 28 days from the time of validation, to decide if they would like to take the option of a referral. This is to raise awareness of this change so that Parish Councillors can adjust their internal systems of reviewing planning applications in their parish. Given that some PCs meet less frequently than others, fitting into the 4-, possibly 5-week window may need some juggling of diaries!

Unless there is an obvious concern regarding an application, it is difficult to envisage a situation where I would automatically ask for a committee review, especially if I have seen no objections. This effectively means that after 28 days, residents/PCs will no longer have the option to request a 'call in', regardless of their concerns.
