TRAFFIC CALMING – To receive an update and discuss if the parish wants village gates or trees at the village entrances and/or shark teeth painted on the road.

PARKING – With the removal of the Bromford public car park area in Kennel Lane, the parish council is looking into potential solutions to address the parking issues in Kennel Lane and Wheat Close. We are seeking the opinions of residents residing in this area, to assist the council with the various options open to us.

FLOODING – To discuss works carried out and issues still outstanding.

PRECEPT – To receive input concerning the next budget and precept. The smaller councils are expected to take on greater responsibility for small ad-hoc works not covered by Highways and County Councils.
