Looking for feedback from residents on current council tax support scheme for those on low income.

Consultation open until 25th September

Details available on line

Council Tax Rebate Scheme

The criteria for residents eligible for the £150 rebate have been extended. People should go online to see if they are able to claim or, call the Council direct.

Energy Saving Advice

If you would like to know if you are entitled to energy saving upgrades to your home, the Warm and Well service is delivered by Severn Wye Energy Agency on behalf of a number of local authorities, including Cotswold District Council. Anyone who thinks they could benefit or would like to find out if they're eligible for support can call the Freephone number 0800 500 3976 or go online at <https://warmandwell.co.uk/grants-and-funding/> and complete an enquiry form.

Cost of Living Support

There is a wide range of support available from the Government, your local councils, utility companies and others to help you if you are struggling to pay your bills.

To help you access all the different schemes and services, CDC has tried to pull them all together in one place, via the link:
